INDIANS DO NOT CONSIDER NAGAS AS A PART OF INDIA

General Vijay Kumar Singh (Jun 26, 2010): "The army is not willing to repeal the AFSPA and any dilution or withdrawal of AFSPA will lead to constraining our operations"

General Vijay Kumar Singh (Apr 14, 2015): "Deploying Army is not the answer. If armed forces are deployed there (Maoist hit areas) they will shoot our own Citizens. This would tarnish the reputation and image of the Army"

The above hypocrisy statements by General Vijay Kumar Singh who is a retired four star general in the Indian Army and now an Indian **#BJP** politician, have clearly indicated that:

- > ARMY RULE IS ONLY FOR THE NAGA PEOPLES
- > NAGA PEOPLES ARE NOT INDIAN CITIZENS
- > KILLING NAGA PEOPLES DOESN'T TARNISH ARMY'S IMAGE

Something every right thinking Naga must ponder over and unite to face this danger.
